

## Become a Sponsor of Rock Bridge Family Services' Annual Car Show and Bluegrass Festival

### Corporate Sponsorship Opportunities

Saturday, April 17, 2010 Rock Bridge Family Services will hold its annual Car Show and Bluegrass Festival at the Virginia Horse Center.

We are reaching out to local businesses like yours to help make this a memorable event and to help Rock Bridge Family Services continue their pursuit of helping families who struggle with the challenges that autism presents.

While you may not be able to support the event with a financial contribution, we welcome companies to consider in-kind donations.

RBFS is a non-profit organization committed to provide resources through support groups, educational programs, parent mentors, and numerous other services. Our long term goal is to build a residential program where children will have access to needed education resources, and local families will be able to be active participants in their children's daily lives.
